Notes from Your Teacher

Math Quick Quizzes and Extra Practice

Over the course of the next 12 weeks, all 3rd graders will be taking weekly quizzes based on math readiness standards. These are concepts that students must master (70% or higher) in order to be promoted to 4th grade. We will be tracking the grades and concepts missed to see which students are passing these standards and to show what concepts/skills need to be retaught and practiced more. If you have questions over any of this, please let me know.

Multiplication Fact Quizzes will be every Monday and Wednesday from now on. Please continue to practice at home.
