Red Ribbon Week-see back of this newsletter of what to wear or do each day this week!

Multiplication fact quizzes will begin next week! Quizzes will be self-paced meaning that when you child has individually mastered the first multiplication table; they will get to move onto the next. If they don't pass the quiz with a 90%, they will not move on. A fact tracker will be added to your child's binder. They will color in the facts that they have mastered and this will help you know what facts they need to be working on at home. Please keep this in their binder and do not color it at home. Quizzes will be every Monday, Wednesday, and Friday and we will start with the 0s and 1s facts. Please let us know if you have any questions!

We deliver the adult socks to a local retirement home here in San Antonio. **Our goal is to donate 600 pairs of socks to our community!**
