Notes from Your Teacher

Please sign the bottom portion of Report Cards and return it with the envelope. New envelopes will not be given.

See below for PTA fundraiser! These fundraisers raise money for us to go on field trips and buy new technology for our students to use in the classroom.

Multiplication fact quizzes will begin THIS Friday! Quizzes will be self-paced meaning that when you child has individually mastered the first multiplication table; they will get to move onto the next. If they don't pass the quiz with a 90%, they will not move on. A fact tracker will be added to your child's binder. They will color in the facts that they have mastered and this will help you know what facts they need to be working on at home. Please keep this in their binder and do not color it at home. Quizzes will be every Monday, Wednesday, and Friday and we will start with the 0s and 1s facts. Please let us know if you have any questions!

What We're Learning

Reading- Poetry (imagery, free verse, and narrative poems)

Language Arts- antonyms

Math- Multiplication Strategies test/ Multiplication Facts

Science/Social Studies- begin Wetlands unit

Homework- Read for 20 minutes, practice multiplication facts

PTA Fundraiser:

Will you be the top chocolate bar seller? There are so many prizes you can win! Our PTA chocolate bar fundraiser runs from October 31st through November 11th. PTA will be in the foyer every morning (7:15-8am) distributing chocolates and collecting money.
