Notes from Your Teacher

Chick Fil A Night is THIS Monday, 11/7 from 5-8pm at the Bandera location. Come out and support our school! There will be cow appearances and games! Don't miss out on good food and fun!

Student Council food drive has begun! For every item brought in, our class will earn 1 minute of extra recess!

Multiplication fact quizzes began last Friday! Quizzes will be self-paced meaning that when you child has individually mastered the first multiplication table, they will get to move onto the next. If they don't pass the quiz with a 90%, they will not move on. A fact tracker will be added to your child's binder. They will color in the facts that they have mastered and this will help you know what facts they need to be working on at home. Please keep this in their binder and do not color it at home. Quizzes will be every Monday, Wednesday, and Friday and we will start with the 0s/1s facts and then 2, 5, 10, 3, 4, 6, 7, 8, and 9s. If your child masters all of those, they will move on to 50 problems and then division. Please let us know if you have any questions!
