Notes from Your Teacher

Please check your child's binder for a very important letter. This letter is due back on or before THIS Friday, 5/5! Please make sure your child's name is on the front of the envelope!

STAAR testing is next Monday and Tuesday!
We are busy reviewing concepts, skills, and strategies daily in the classroom for both reading and math. You can help at home by making sure your child reads daily and does their math homework since that also reviews concepts we have already learned.

Teacher Appreciation Week

May 1st-5th

Please help us celebrate our Brauchle teachers during National Teacher Appreciation Week!

Monday: Bring in a fresh flower from your garden for your teacher!

Tuesday: Tell your teacher how special they are by making a homemade card telling them how much you appreciate them.

Wednesday: Bring in your teacher's favorite drink!

Thursday: Bring your teacher a sweet treat!

Friday: Bring your teacher a special gift or school supply for their desk!

What We're Learning

Reading- reviewing previous skills

Language Arts- test strategies

Math- Review of Fractions, Mixed Operation Problem Solving

Science/Social Studies- Financial Literacy (saving money, quiz)

Homework- Read for 20 minutes, math practice page, and study multiplication and division facts

All homework due on Friday! Corrected work due Monday

A message from our Librarian:

GENIUS HOUR RESEARCH & DEVELOPMENT PROJECT

Parents, please encourage your child to finish their project on their chosen Genius Hour topic. **Students will be presenting their project May 16, 17, and 18th.** If you have any questions, please contact Mrs. Stanley.
