## Notes from Your Teacher

**Last day for grades is this Friday, May 19<sup>th</sup>. You have until Tuesday, 5/23, to work on any work that needs to be corrected. No work will be accepted for a grade change after Tuesday.**

**Please let me know if you have any questions!**

End of year reading level assessments have already begun and will be finished by May 26. Notes will be sent home with your child after they have been assessed to inform you of their current reading level. Keep in mind that your child should be reading on a level P or higher to be considered "on level" and promoted to 4<sup>th</sup> grade. Please let me know if you have any questions! It is VERY important that your child continues to read now and throughout the summer so that they do not regress levels upon returning in the fall.

**Please let me know if you have any questions!**

**We are SO proud of well the kids did on their STAAR tests! They really took their time and tried their best!**

## What We're Learning
