## Notes from Your Teacher

**Last day for grades was last Friday.**

**You have until this Tuesday, 5/23, to work on any work that needs to be corrected. No work will be accepted for a grade change after Tuesday.**

End of year reading level assessments have already begun and will be finished by May 26. Notes will be sent home with your child after they have been assessed to inform you of their current reading level. Keep in mind that your child should be reading on a level P or higher to be considered "on level" and promoted to 4<sup>th</sup> grade. Please let me know if you have any questions! It is VERY important that your child continues to read now and throughout the summer so that they do not regress levels upon returning in the fall.

Please let me know if you have any questions!

## Summer Reading

The long summer vacation is just around the corner and I want to make sure that your child continues to make progress in his or her reading during the break. Our school has a subscription to [www.raz-kids.com](http://www.raz-kids.com), which allows your child to access an online library of reading materials from any computer connected to the Internet. An email was also sent home last week about different summer reading programs and activities going on around San Antonio.
