## Did You Know...?

... That when kids don't read over the summer, they are likely to fall behind when they head back to school in August? Brauchle has made it a priority to try to prevent these learning losses and keep our students' skills sharp by encouraging them to read all summer long! We want to make sure that your child continues to make progress in his or her reading during the break. Our school has a subscription to [www.raz-kids.com](http://www.raz-kids.com), which allows your child to access an online library of reading materials from any computer connected to the Internet. An email was also sent home about different summer reading programs and activities going on around San Antonio.

## Rotation Schedule

Monday	No School
Tuesday	Day 2 Music
Wednesday	Day 3 PE
Thursday	Day 4 Computer
Friday	Summer Vacation!

\*Make sure your child wears tennis shoes on PE days!

**ALL Library books MUST be turned in. If books are lost, they must be paid for in order for your child to receive their Report Card.**
