Graded Work

Graded work will come home every Friday. Assignments that have a grade of 70 or higher may stay at home. **Please have your child correct any papers that are below a 70% and return to raise their grade to a 70. Test grades will not be changed.** Return the folder to school on **Monday** with corrected work.

All 3rd graders in NISD will be taking the Cognitive Abilities Test (CogAT) this Tuesday, Wednesday, and Thursday. This test is designed to measure general thinking and problem solving skills that students have learned through in-school and out-of-school experiences. It will also help teachers to understand your child's academic functioning. Each test will only take 30 minutes. Please make sure your child is well rested and eats a good breakfast each day of the test. Your support is greatly appreciated. If you have any further questions, please contact one of our Counselors.
